

## **Rooftop Terrace Dedicated to Michelle**

On October 6, 2019, Matt Campo, CEO of the Ronald McDonald House of Long Island (RMHLI) located in New Hyde Park, dedicated its rooftop terrace to the memory of Michelle O'Neill. Michelle's legacy of helping others through the Michelle O'Neill Foundation continues to be honored at the House where their mission is housing families of sick children and creating and supporting programs that directly improve their health and well-being.
