

Michelle O'Neill Way!

On Friday, May 27, 2016, the City of Long Beach dedicated Oregon Street in Long Beach, NY as Michelle O'Neill Way at a street naming ceremony conducted by Police Commissioner Michael Tagney, City Manager Jack Schnirman and City Council President Len Torres. It is an honor and very meaningful for Oregon Street to bear Michelle's name since Oregon Street was home to Michelle for all her life. It is an honor and a tribute to the Foundation that bears her name, the Michelle O'Neill Foundation to benefit children with cancer, and we are very grateful for this extraordinary acknowledgement.
